Nestled between forests and vineyards, far from any nearby dwellings, the estate offers a peaceful and intimate setting, ideal for a serene wedding celebration. A family-owned, organically certified wine estate, it spans 56 hectares of unspoiled nature.

In 2025, the estate unveiled a 400 m² reception hall combining authenticity, elegance and warmth, with natural stone, wood and wrought iron, opening onto a panoramic terrace overlooking the vineyards.

Whether you envision a rustic, romantic or contemporary wedding, Domaine La Blaque adapts to your vision.

An aerial photograph of a large outdoor event, likely a wine festival, held in a courtyard or plaza. The event is taking place during the "golden hour" of sunset, with warm, low light creating a soft glow over the scene. In the background, a long, single-story stone building with a tiled roof is visible, surrounded by lush green vineyards and rolling hills. The courtyard is filled with a large crowd of people, many of whom are standing in groups or near small, round tables. Several large wooden barrels are scattered throughout the plaza, some used as seating or display stands. A yellow and white delivery van is parked on the right side of the courtyard. The overall atmosphere is festive and social, with people enjoying the outdoor setting and the warm weather. The text "OTHER OPTIONS ARE AVAILABLE" is overlaid in a large, white, serif font across the center of the image.
